Disaster Services Courses

Introduction to Disaster Services/Mass Care: An Overview Combo

This course provides fundamental information about disasters, community response, and the role of Red Cross Disaster Services. This course is the prerequisite to all Red Cross Disaster Courses. Mass Care: An Overview is the course provides basic information about the activities of Mass care workers, and the skills and abilities needed to work in Mass Care.

Tuesday, September 9, 2003 – 6PM – 1 3/4 hours

Monday, September 9, 2003 – 7:45PM – 1 1/4 hours

Long County Library, Ludowici, GA 31316

Emergency Operations Center

This course describes the governmental roles and concerns relating to disaster relief efforts, and the way the Red Cross works with local government. Participants will learn the EOC's purpose, value and procedures, identify the methods to collect, record, present, and distribute information needed in the EOC process, and be able to work with other supporting agencies.

Saturday, September 20, 2003 – 10AM – 5 hours

Liberty Emergency Management Agency – 100 Liberty Street, Hinesville, GA 31313
