

## **BRYAN COUNTY RAILROAD CROSSING REPAIRS TO PROMPT TEMPORARY CLOSURES, TRAFFIC DETOURS**

**BRYAN COUNTY, GA – June 10, 2019** – CSX Railroad has scheduled repairs at several railroad crossings in Bryan County, which will necessitate closures and traffic detours. Southern Commercial Development, LLC, will provide traffic control assistance and signage, which will be in place to mark detour routes. Each crossing listed will be closed for 2 to 5 days. All dates are subject to change due to weather and/or other conditions.

The scheduled repairs and closings in Bryan County all begin on or around Monday, June 17 and will include Daniel Siding Road (between Singleton Road and Daniel Siding Loop Road), Clarktown Road (between David Myrick Road and Mullino Lane) and Cartertown Road (near Oakstead Drive).

During those times, please allot extra time for travel as traffic will be re-routed and proceed with caution around the areas. If changes in the schedule occur, CSX has plans to issue updates as needed. Railroad repairs and closings are also scheduled for crossings in Liberty and Long Counties between June 18-27.
