- 1) The values in the Net Taxes Levied line are impacted by the removal of the Forest Land Assistance Grant Value. The totals shown do not include the values from years 2014 through 2018 so the previous years totals are inconsistent with ads from previous years. Removal of the FLPA values were directed by the State.
- 2) The values shown in the Total County Value line are different than the ones in the 2019 5 Year History of Levy because the adjusted Net Digest values reported in the 2019 PT-32.1 for year 2019 are different from last years report.
- 3) Beginning with CY 2018 the County went to a single unified millage rate for the entire county including the two municipalities (Pembroke and Richmond Hill).
