

Bryan County GIS-Mapping Department

DATA REQUEST FEE WAIVER

Bryan County GIS-Mapping Department reserves the option to exchange data and resources with certain agencies. The organization pursuing the project must submit a written request using this waiver to exempt the cost of mapping services. Approval of the request or availability of the data is not guaranteed. All requests will be reviewed before being completed. Please allow sufficient time for this process as we try to accommodate your expected return date. The party submitting this form will be notified of the decision for the request and updated about other details that may affect the process of completing the request. Contractors may be granted access to the data at no cost if they are listed in this request as conducting work on behalf of the exempt organization.

By completing this form, the representatives of the organization and contractor listed below acknowledge that access to the data is authorized solely for the project described in this request. It is understood that this data is for illustration and assessment purposes only and accuracy is not guaranteed. This data is not a legal survey and should not be used as an official document. It is agreed that Bryan County, its affiliates, employees, officials, and departments are not responsible for errors or omissions in the data. The organization and contractor release the aforementioned entity and personnel in its entirety from any and all liability. Data is not permitted to be released or shared by the organization or contractor to any other outside party or for any other purpose.
