DATA REQUEST FORM

This form does not guarantee approval of the request or availability of data. All requests will be reviewed before being completed. Please allow sufficient time for this process as we try to accommodate your expected return date. The party submitting this form will be notified of the decision for the request and updated about other details that may affect the process of completing the request. Please carefully review the price list and options below when choosing the format of your request. Complete the second page with your contact information, details of the request, and total cost per the price list. Certain agencies may submit a fee waiver to request cost exemption.

Special print or data projects according to this price list should be requested with at least 48-hour notice before the date needed. Extra charges may be assessed for other customized orders. Prices for any rush orders or more detailed requests will incur an additional \$10.00 fee for sizes under 24" and \$20.00 fee for sizes over 24". Prints on Glossy Paper will require an extra \$2.00 for sizes under 24" or \$5.00 for sizes over 24". Bryan County GIS and Mapping Department reserves the right to alter sizes and pricing or exchange data and resources with certain agencies.
