

Code Enforcement Complaint

In emergencies please contact us at (912) 756-3177 or complaint@bryan-county.org

* Required

1. Email address *

Your Personal info

When registering a complaint, in most matters, you will be contacted by a Code Official to verify the information you've provided and to keep you updated on the processing of the complaint. Bryan County will research, investigate and document the alleged offense. In making a case against the alleged offender, it is often in the best interest of the case to have corresponding accounts, and as a result, your account may become part of the record. We ask below for your consent, please consider carefully how you would like this information and your participation to be utilized before proceeding.
