# COMMUNITY PROFILE

## GROWTH

Bryan County has experienced tremendous growth over the past few decades. The population of Bryan County is almost 40,000 – a 21% growth in population since 2010 and a 260% growth since 1980. This far exceeds the growth rate for the State of Georgia, which saw an overall average growth of 91% between 1980 and 2017 and just an 8% growth between 2010 and 2015.

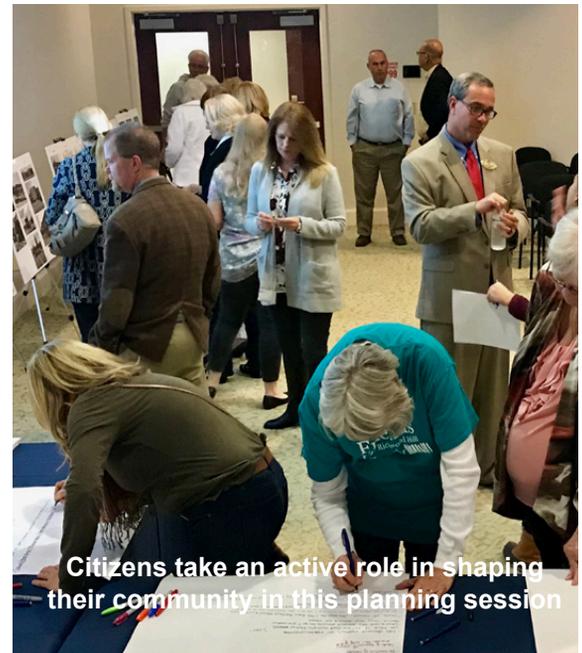

Coastal resources are a major asset of Bryan County

According to the Georgia Governor's Office of Planning and Budget, the growth seen in Bryan County over the past few decades is expected to continue well into 2050. A large part of what draws people to the region is the agreeable climate and proximity to the coast, which presents many opportunities for economic growth and recreational enjoyment.

## THE COAST

The coastal way of life is ingrained in the current residents as well as those who move from other areas. Bryan County works hard to protect coastal resources by ensuring that new development patterns are consistent with the goal of preserving greenspace and open space. Furthermore, the county devotes time and energy to the enforcement of environmental codes and supports the existence of vegetative buffers along scenic routes to minimize the aesthetic effects of development.

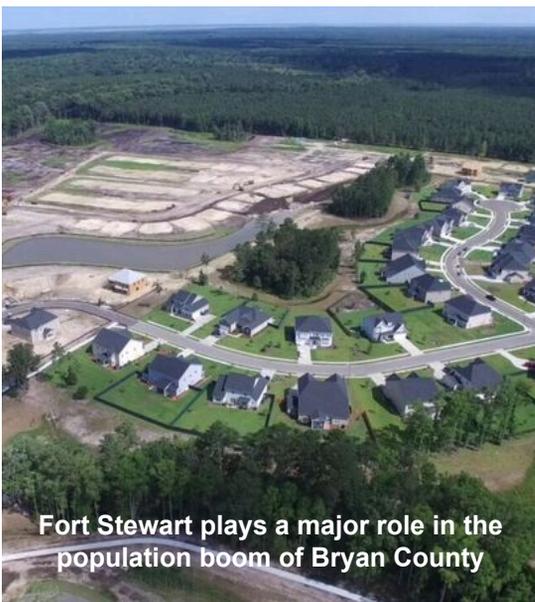

Citizens take an active role in shaping their community in this planning session

## FORT STEWART

The geographical division that is created by Bryan County being completely divided by Fort Stewart yields two completely different environments for growth. The southern portion consists of large master planned communities as well as marsh-front property. The northern portion consists of more rural growth and traditional single lot development.

Fort Stewart plays a major role in the population boom of Bryan County

Bryan County is proud that so many members of the military call our community home, and county leaders understand the importance of planning for increased infrastructure needs created by the proximity of Fort Stewart. To accommodate military growth, Bryan County works to ensure that families' educational needs are met, that housing is plentiful, and that development keeps up with demand.

In the Fort Stewart area, about 4,200 people leave the military annually, through retirement or finishing their service commitment. In addition, there are about 29,000 military spouses that are in our workforce in this area. Fort Stewart and neighboring Hunter Army Airfield in Savannah have a military and civilian population of about 57,000 and an annual economic impact of nearly \$1.85 billion, according to data collected by the Georgia Chamber of Commerce. Bryan County is grateful to feel the economic benefit of those numbers.

# RECENTLY IMPLEMENTED PROJECTS

THANKS TO CAREFUL FISCAL PLANNING AND RESPONSIBLE SPENDING, BRYAN COUNTY WAS ABLE TO SUCCESSFULLY IMPLEMENT AND LAUNCH SEVERAL PROJECTS IN 2018, INCLUDING:

- Work began on many transportation related projects, such as the interchange at Interstate 95 and Belfast Keller Road, the Highway 144 widening and several roundabouts. Due to Bryan County's strong financial position, the County was able to expedite the \$20 million interchange project with a contribution of over \$2.7 million.
- The Bryan County Recreation Department tackled a major improvement project in 2018 with a multitude of improvements to the football field at Hendrix Park in North Bryan. This project included a new goalpost, fencing, scoreboard, bleachers and concession stand with restrooms. A walking track was added around the field as a finishing touch.
- Bryan County Emergency Medical Services added two fire engines and four tanker trucks. One station to accommodate EMS and fire calls was built as well. Six new positions were added to this department this year in recognition of the county's substantial population growth.
- The Planning and Zoning Department completed the Bryan County Comprehensive Plan Update, which sets the course for growth and development over the next 10 years, and passed an Interim Development Ordinance update.
- Completed construction on Interstate Centre II (industrial park), which was a collaborative effort with the Development Authority of Bryan County; the DABC's engineering consultant, Thomas & Hutton; the Bryan County Department of Public Works; and the Bryan County Water and Sewer Utility Department.

# 2019 BUDGET HIGHLIGHTS

Interchange Groundbreaking

Two more roundabouts like the Hwy 144 Roundabout will begin construction in FY 2019

LIKE THE 2018 BUDGET, WHICH ALLOWED FOR THE COMPLETION OF MANY IMPORTANT PROJECTS, THE 2019 BUDGET HAS ALSO BEEN CAREFULLY ORCHESTRATED AND HAS DEDICATED FUNDS TOWARD THE ACCOMPLISHMENT OF SEVERAL MORE BENEFICIAL COMMUNITY PROJECTS. HIGHLIGHTS OF UPCOMING INITIATIVES INCLUDE:

Bryan County Emergency Medical Services will begin construction on Fire Station 1, located in South Bryan County. Fire Station 1 is designed to be the headquarter station for BCES. It will consist of 4 extended bays, office space and living quarters.

Transportation has multiple projects slated for the 2019 budget.

- Installation of two roundabouts on the south end of the county, Belfast River/Harris Trail and Belfast River/Belfast Keller, will help to improve the safety and ease of travel through these busy intersections.
- Elevation of the Mill Hill Road Causeway will take place in 2019. This section of road frequently floods during high tides and storms restricting access to the residential homes located on Mill Hill.
- 2 foot shoulders will be added to a portion of Black Creek Church Rd as well as a portion of Belfast Keller Road.
- A total of \$1,200,000 is budgeted for road resurfacing and rehabilitation projects in North and South Bryan County. The county has partnered with RoadBotics, LLC to perform automated road condition assessments for all Bryan County public roads. This assessment will establish the priority for road resurfacing projects over the next several years.

Bryan County's Henderson Park will see the addition of a sports field as well as a gymnasium which will include office space and a meeting room. These improvements will help to accommodate the additional growth seen in the recreation program.

In the continued effort to update the county's dated and high mileage rolling stock, a total of \$1,743,000 has been included for vehicle/rolling stock purchases. This includes 1 ambulance remount, 3 fire truck pumpers, 8 sheriff patrol vehicles, 4 public works pickup trucks, 1 truck for water and sewer and 5 vehicles for administrative departments including tax assessor, engineering, planning and zoning and building maintenance.

# TYPES OF FUNDING

## UNINCORPORATED SERVICES

are services that are provided primarily for the benefit of residents and property owners in the unincorporated areas and tend to include municipal type services. These services are funded through revenue collected exclusively from the unincorporated areas of the County to ensure equity in taxation and service delivery.

## COUNTY-WIDE SERVICES

are categorized as services that are delivered to residents in the unincorporated areas and the Cities within Bryan County without distinction or disparity. These services are the core services that Counties must provide their citizens that are either mandated by the State of Georgia or by the necessity of the quality of life demanded by our citizens. Financing the delivery of these services is an assortment of revenues collected county-wide from the citizens of Bryan County in the form of property taxes, sales tax, fines, and more.

FUND NAME	REVENUES	COST OF SERVICES
General / County Wide Services	\$22,973,200	\$22,973,200
Unincorporated Services	\$5,756,700	\$5,756,700
Special Funds	\$19,670,800	\$18,941,500
Minor Funds	\$609,720	\$609,720

Bryan County voters passed a Special Purpose Local Option Sales Tax resolution (SPLOST) in 2017 and a Transportation Special Purpose Local Option Sales Tax (TSPLOST) in 2018. While it is in effect, SPLOST is estimated to generate approximately \$33,000,000. \$18,000,000 will go to Bryan County. TSPLOST will generate approximately \$20,000,000. The county's portion will be \$10,500,000.

SPLOST and TSPLOST funds must be used for very specific purposes, but all the money generated by these taxes will be invested back into Bryan County. SPLOST revenue will be spent on voter-approved capital projects. TSPLOST funds will be spent on intersection improvements, resurfacing and road improvements; pedestrian, bicycle and trail projects; and capital equipment.

TSPLOST will be a critical funding source for Bryan County's 30 year transportation plan

# MEETING THE EXPECTATIONS ASSOCIATED WITH GROWTH THROUGH INVESTMENT

BRYAN COUNTY IS DETERMINED TO MEET THE NEEDS OF ITS CITIZENS IN REGARDS TO COUNTY SERVICES. IN THIS HIGH GROWTH ENVIRONMENT, CONTINUING TO DELIVER THOSE SERVICES AT EXPECTED LEVELS CAN ONLY BE MADE POSSIBLE BY THE CONTINUED COMMITMENT OF INCREASED FUNDING LEVELS AND CONTINUED DEDICATION TO EFFICIENCY OF OPERATIONS. ONE WAY TO ENSURE THIS IS THE INVESTMENT IN TALENT. LISTED BELOW ARE A SAMPLING OF THIS COMMITMENT THROUGH INVESTMENT IN PERSONNEL OVER THE PAST 6 YEARS:

## Planning and Zoning

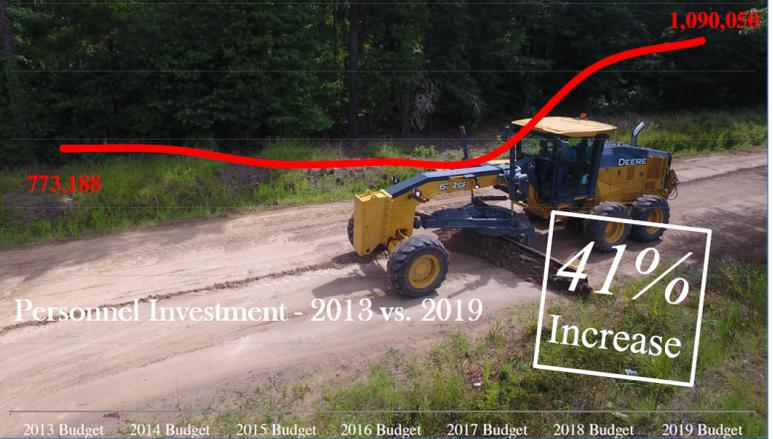

## Emergency Medical Services

## Fire Protection

# BRYAN COUNTY'S VISION & GUIDING PRINCIPLES

Bryan County strives to continually improve – in the most cost-effective manner – the services provided to residents of Bryan County and protection of the overall public good. Bryan County understands that its jurisdiction must be a dynamic, vibrant community where residents and visitors alike can take advantage of economic opportunities, live in safe neighborhoods, and enjoy plentiful green space and recreational facilities. The County is committed to partnering with others in our community who share a dedication to making life better for Bryan County citizens. The County believes in responsible stewardship of public resources and works hard to cultivate a customer-focused government that is fiscally responsible and capable of delivering services that ensure a top-notch quality of life.

## THE BOARD OF COMMISSIONERS UPHOLDS THIS VISION BY ADHERING TO FOUR SIMPLE STANDARDS:

### **1. Being good financial stewards of public funds**

This means budgeting responsibly and carefully planning how and when funds are spent on projects, services and other needs. Financial and economic management is imperative to the continued well being of the county and those who reside and work in it. Our staff and elected officials look closely at the procurement process and hold department heads accountable for the choices that they made and those made by employees they supervise.

### **2. Providing consistent delivery of services**

The provision of public services, both for county-wide services and unincorporated Services is a key task for government. Bryan County understands that services need to be delivered with integrity, centered around citizens, and responsive to their needs – particularly the needs of the most vulnerable. The County promotes great transparency in government and is committed to reliable and consistent delivery strategies.

### **3. Promoting a standard of excellence among local governments**

Bryan County is focused on the value of professional management and local government leadership. Maintaining public awareness has a big impact on the quality of life in our communities. It's a responsibility the county leaders do not take lightly, which is why they go to great lengths to demonstrate their commitment to honorable and ethical behavior, responsible actions, and holding employees to the highest possible standards.

### **4. Acting transparently and responsively to the needs of our residents**

In Bryan County, elected officials and staff believe residents should be able to access information on how their tax dollars are spent, which is why all relevant and important documents are available for download on our website. From the annual budget documents to the Comprehensive Land Use Plan, governing documents are readily available. To create those documents, we listen to the needs of our residents and take into consideration input and insights we gather from them through public forums, online surveys, and comments made to local elected officials.

# UNINCORPORATED SERVICES

Unincorporated Services are services that are provided primarily for the benefit of residents and property owners in the unincorporated areas and tend to include municipal type services. These services are funded through revenue collected exclusively from the unincorporated areas of the County to ensure equity in taxation and service delivery.

## ENGINEERING & INSPECTIONS

The Bryan County Engineering Department executes, plans, studies the design and construction of various buildings and other architecture and maintenance projects, in accordance with design standards to include flood plain management for Bryan County. They are further responsible for the inspection, regulation and approval of both private and commercial buildings through the enforcement of the code and standards adopted by the Board of Commissioners, County Ordinance and state regulations.

## FIRE PROTECTION

The Bryan County Fire Department is proud to provide protection for lives and property for the citizens of Bryan County. The dedicated and well-trained crews of Bryan County fire respond to emergencies of all types- natural and man-made. Standing on duty at all times to provide all people who live in or visit our community with the best service possible.

## FORESTRY COMMISSION

Forestry Commission is responsible for providing leadership, service and education in the protection and conservation of Georgia/Bryan County's forest resources. Services provided include fire detection, wildfire suppression, prevention services and the issuing of burn permits.

## MOSQUITO CONTROL

The Bryan County Board of Commissioners ensures that during mosquito season, all county roads are sprayed with an environmentally safe insecticide that is non-toxic to humans, while working to repel diseases contained by mosquitos such as malaria, yellow fever, heart worms and encephalitis. Bryan County continues to strive to provide the highest quality of life for our residents.

## PLANNING & ZONING

The Bryan County Planning and Zoning Department is responsible for reviewing development and site plans; and for administering the zoning and subdivision regulations as written in the Bryan County code of ordinances. The department works closely with all the departments in the County to ensure a high standard of development. We are a public planning organization that puts customers first, values partnerships and strives to shape Bryan County as a premier community.

We provide information, advice and technical support to Bryan County's citizens, elected officials and Planning Commission to assist them with development decisions, issues and priorities. We are committed to long-term economic vitality, environmental integrity, and the quality development of our community.

## SOLID WASTE SERVICES

Bryan County contracts with Republic Waste Services for residential solid waste collection and disposal. These services, along with a weekly recycling program, are provided to each unincorporated household every week. Reimbursement for this service is obtained by the annual solid waste fee assessed to each of the unincorporated area household's property tax bill.
