Bryan County Recreation Assistance Program

Everyone Deserves The Chance To Play

Bryan County Family Connection, in collaboration with the City of Richmond Hill and the Bryan County Recreation Program, recognizes the importance of recreation and the health and wellness benefits it provides to children and youth.

The purpose of the Recreation Assistance Program is to assist local families in need with registration and other fees associated with organized sports and recreation.

Any Bryan County family in need, with children 18 and under, is eligible to apply for assistance. To apply, applications must be completed and submitted, along with supporting documents. To qualify, residents must meet income and financial support guidelines. Applications are available at the Bryan County Family Connection office in Richmond Hill and Pembroke.
